

Monitor your fleet, no matter where they are, or when they are there.

Individually configured to suit your needs, our Fleet Gate system provides live vehicle tracking, individual trip data, geofencing (for safety as well as limiting travel scope), a vehicle pool scheduling function, and information about your individual and collective assets, devices and users. All at no additional cost.

And we offer ATO Certified FBT reporting.

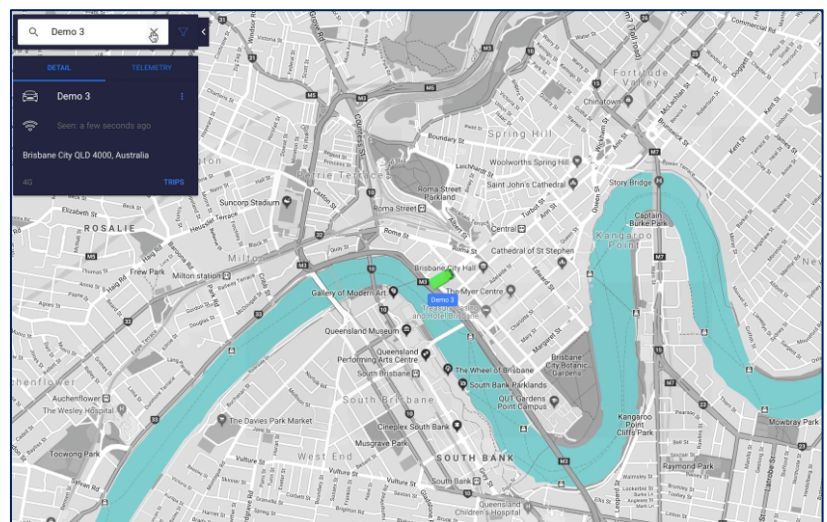

Standard features include:

- Real time reports on each asset
- Alerts & exception reporting
- Anti-theft vehicle surveillance & recovery
- Geofencing settings
- Driver App - Operator feedback via dashboard to improve performance with safety & fuel
- Driver On-Boarding & periodic training support
- Driver Analytics

YOUR FLEET CONTROL PANEL

We also offer the following features to make administration more streamlined:

- Vehicle pool scheduling
- ATO approved FBT reporting
- Registration & Insurance renewal reminders
- Service interval reminders
- Workgroup configuration
- Consolidated reporting on KPIs, cost savings and exception reporting
- Historical Benchmarking
- Lifetime Operational Support
- Experienced Facilitative Staff
